

Intellectual Takeout has an app!

It's been too long in coming, but Intellectual Takeout now has an app. While it's live on Apple's App Store, it's still just a beta version. You can download it for your iPhone by clicking the link below:

Let us know what you think and what you'd like to see on it. We have some ideas that we're working on, but we want to hear from you!

If you're an Android user, don't worry. We'll be rolling out an app for Android-based devices as soon as possible.

And, again, let us know what you'd like to see in an Intellectual Takeout app since this is just a beta version. You can message us on Facebook or shoot us an e-mail at contact@intellectualtakeout.org. Thanks!
