

Intellectual Takeout Quiz: Are You Religiously Literate?

As the Western world becomes more secular, religious knowledge is on the decline.

At Intellectual Takeout, however, we feel that educated people should possess some basic knowledge of each of the world's religions—even if they aren't practicing members of any particular faith.

To get an idea of how up-to-speed you are on the topic of religion, we invite you to answer 10 questions that we put together in the quiz below. Let us know how you do!
